Windsor

FEATURES:

The Windsor is a 4-bedroom, 3.5-bath, 3,017 sq. ft. residence that embodies timeless design. Vaulted cathedral ceilings and a hand-laid stone fireplace create a striking centerpiece, while the kitchen blends beauty and utility with custom cabinetry, walk-in and butler's pantries.

The primary suite offers privacy and thoughtful design, including direct access to the laundry room. Hidden storage, a seasonal closet, and built-in solutions maximize space, while a versatile bonus room adapts as a studio, media retreat, or guest suite.

Outdoor living is elevated with a covered porch and expansive deck. Luxury finishes, and custom lighting complete The Windsor — a home where craftsmanship and functionality meet at every turn.
