Cordova

FEATURES:

At the heart of the Cordova lies an open, free-flowing layout that seamlessly blends the kitchen and living area—ideal for effortless entertaining. A striking fireplace anchors the space, while a full-length glass sliding door blurs the line between indoors and out. The expansive outdoor living area includes a screened-in porch, complete with a second wood-burning fireplace, perfect for year-round enjoyment.

The primary suite, privately situated at the rear of the home, provides a tranquil retreat with a spacious tiled shower, dual vanities, and a walk-in closet. At the front of the home, a guest suite ensures your visitors experience both comfort and privacy. Adjacent to the living room, a versatile study offers a quiet sanctuary for work or reflection.
